CASE PUMA 210 MULTICONTROLLER !!

I have for sale a Case tractor from 2009. The machine is very well maintained. It has extensive equipment, among others, multitronic transmission, air conditioning, hooks, four-wheel brakes, EHR, power boost, programming of work settings. The tires are wide, I estimate its condition at 60%.

The price is the net price:

PLN 139,900

For more information, please contact:

790-577-083

I cordially invite you to a visual inspection and test drive.

I would recommend !!!
